WORK EXPERIENCE

2Contact

JUNE 2024 - DEC 2024

Data science intern

- Analyzed problems given from sales department and collaborated with supervisor to specify solution and metrics.
- Initialized workflows and business planning.
- Used **Python** scripts to scrape customer feedbacks from KPN forum.
- Utilized **OpenAI models** for inferencing customer satisfaction and common customer-service problems.
- Used hand-ons libraries to create weekly dashboard and customer satisfaction reports so as to suggest improvements for next periods.
- Used **Github Action** to automate ETL process, which resulting in labour effort reduction for data processing.

Vrije Universiteit Amsterdam

SEP 2022 - SEP 2024

Teaching Assistant

- Conducted after-school tutoring sessions and workshops to help struggling students catch up lessons.
- Gathered student problems and communicated with course coordinator to suggest content updates and new teaching methods.
- Assisted in the development of individualized learning plans to meet the personal needs from students.

PROGRAMMING LANGUAGE

- Python, R
- HTML

DATABASES

- SQL, SPARQL

ML SKILLS

- Tensorflow, Pytorch, Deep Learning, Large Language Models.
- Data Wrangling, Data Mining, Exploratory Data Analysis, Hypothesis testing, Knowledge Graph

PROFESSIONAL TOOLS

- Github, Github Action
- Docker
- MLflow, Postman, Airflow

WEB FRAMEWORK

- Flask

EDUCATION

Master of Artificial Intelligence

2025-Current

Vrije Universiteit Amsterdam

Specialization: Deepening AI

Bachelor of Artificial Intelligence

2021-2024

Vrije Universiteit Amsterdam

Minor: Data science and Supply chain

GPA: 8.6/10

Additional Project

Cooking Assistant Agent

- Designed an intelligent Cooking Assistant Chatbot that helps users find and understand recipes using natural language.
- The assistant was built with **Google Dialogflow CX**, connected to a **Prolog** for rule-based recipe logic and ingredient matching.
- Integrated a **speech-to-text API** for voice input recognition.

LANGUAGES

- English (Professional)
- Dutch (Intermediate-A2)
- Vietnamese (Native)
